Dear Judy and family, You have lost a very special guy. Know that you are in my heart and prayers today and as you remember and go forward. Though I have not seen Jim for a number of years, I never go by HRRC's facility without remembering how he envisioned and brought it to fruition, standing by my side and guiding all the way. He gave unstintingly of his time and talents for the greater good, and our community is the stronger for it. He will be missed. May God bless and keep you. Diana Woodbridge
