Jeremy Boxerbaum posted:

Carolyn and my mother were very good friends, going back to when they were in school. I was just thinking about Carolyn because my mother passed away last month. I looked up Carolyn and I'm sorry I didn't know she passed away ten years ago. I wish I had known. I remember when I was a kid that she was always a friendly and positive person. So many of my mom's friends passed away before she did. I saw that no one had left any note for Carolyn and I decided to write something -- even ten years later -- because she deserves to be remembered. Jeremy Boxerbaum
