I'm from India and my name is Prasanth Tummala. I had worked for this great soul for around 7 years in a row as his web designer and admire him since then. He was generous, helping, caring and what's not. Can't even find such a caring person in my life till now. Just now, one of his friends shared this shocking news to me and I was unable to talk for a few minutes. Will miss you boss and my friend Sigg. May you rest in peace Sir. Thanks for being my friend and my world's best client. My daughter Nivi and myself will always remember you.

Steve was a good friend. I worked for him for a couple of years and he was a good and fair boss and a caring person. We met for a business meeting in St Louis with other members of his staff and I brought my son and daughter with me. He loved kids and treated both of them to an unforgettable weekend. He always spoke with love of his daughter and his mom. Thanks for being you, Steve, we will miss you.

My sincere condolences to you all during this time. I'm saddened by the news of my dear friend, Sigg. He was the most honest, loving, friendly, sometimes over the top guy I have ever met. He always kept us on our toes with the next big thing!! He had a great mind and could see things many of us couldn't. He loved life and helping others. You will be greatly missed. May you rest in peace. SR
