When my brother Dave was in a bad motor cycle accident in California he's was doing really poorly in the hospital. The doctors had him hipped up on Haledol (sp?). My mom flew out there, got him out of the hospital and took him to Las Vegas. Yep, he got better there. Mothers love.

When my dad died my sister gave her huge Belgian Shepherd Dexter to my mom. He loved my mom, but bit everyone else in the family. He slept outside of my mom's bedroom, and would have slept in her bed had she allowed it. We all joked that Dexter was my dad reincarnated. --Bonnie Snow
