Adam, my Brother

Bernie was my 2nd cousin. I am also great friends with his son Dan who I met accidentally on the CB radio when I was 14. I remember Danny saying to me one day on the CB, "Your My Cousin"! Bernie was always a great Father to his kids and a very nice person to be around. I have many great memories of Bernie from many years ago while sleeping over the house as a kid and driving Danny and me around when we wanted to get together or go somewhere. Bernie will be missed,
