I have so many memories. Where to begin? Thunderstorms? Waiting with Sallie for Cari's arrival? Dinners at my house and yours? Jerry burning an antique table? The pride she took in her jewelry work? Julie's unending support, even when she was exhausted? But, most of all, the sense of family! She even made me feel special. Like I belonged whenever I happened to show up! May she Rest In Peace. Hold on to the good stuff..... there was so much!With Love, Pam D
