I have known Ken all of my life, but not until we worked together in his various capacities with Forest City and subsequent development and construction companies did I come to appreciate his knowledge and humor where the tune "the farmer in the dell" will hold special memories for me. Jud Kline

I've known for over 18 years. He was on the Acacia Board with my cousin, Irv Linden. As a volunteer at Menorah Park, I would see him many times at Pearl's Place and at the Piazza. He will be missed.
