I'll never forget the times growing up when I went flying on Sundays with you dad. They were so much fun! I'll never forget the times when you showed me what was underneath the hood of each vehicle I owned and how to maintain the simple stuff to be updated. I'll never forget all the times we had together just talking in general about life. I will deeply miss you Daddy Bob even though you'll always be in my heart. I love you always.
