Leslie Woideck Keller

JAN 9, 1941 - AUG 18, 2020

Leslie was deeply dedicated to living a life of simplicity and joy. She filled the room with magic, music, dance and love. She taught at Oberlin College, along with being in the companies of Karamu and CWRU as a dancer earlier in her career. After her performance years, she worked lovingly with many different populations - people with disabilities, Alzheimers, the elderly and people that just loved to use their body to express themselves in movement. She treated everyone she came across as special and beautiful.

She is survived by her sons, Nik Woideck , Sam Keller, and daughter Sheila Keller and their significant others: Young Kim, Amanda Close and Billy Husher, her husband of 41 years, Jerry Keller and grandchildren Riley Keller, Simon and Cora Keller-Husher. They were very special people in her life, and she cared very deeply for them. She was very sorry to not be able to guide them as they grow through their early years into adulthood.

Due to Covid, a small private service will be at Lake View Cemetery.

Contributions can be given to Hospice of the Western Reserve, or <https://wildchildartdoors.com/gift.>, and the Friendship Circle
