Becca, Brad, Amy, and Matt - I'm so sorry about Andrew. He fought such a good fight for all these years. I have wonderful memories of when Andrew, Brad, Amy, and your mom lived in Arizona, and again when Andrew went to ASU. We'd pick him up and bring him over for a good meal every now and then. He will always hold a very special place in my heart. Debbie and I went to visit Andrew one of the last times we were in Ohio and seeing him at your grandmother's 100th party was so special. Sending all of you love. May Andrew's memory be a blessing.
