Nikita Denis Volosov

MAY 4, 2000 - OCT 21, 2020

Loved and cherished son of Natasha (nee Makhlina) and Vadim Volosov. Beloved and painfully missed brother of Daniel Volosov. Friend and icon to many. Nikita Volosov was driven, intelligent and passionate. His experience surpassed his age, and his charisma helped him develop many incredible friendships. Nikita's potential was unlimited, and the pain of losing him so soon is still incomprehensible for his family and friends. Nikita is loved by many - and will remain in our hearts and minds until the end.

Daniel Volosov posted:

My brother - not a single day goes by without you in my mind and in my heart. I miss you so much that I can't come up with the right words to express it properly. I wish that I had another day to talk to you; Another chance to share what little knowledge of this life I had received in our eight year difference. I've found a little bit of peace knowing that even in your twenty years on this earth - you had developed into such an intelligent, charismatic and experienced person with my favorite sense of humor. Nobody can make me laugh like you did. I pray that I get to see you again, embrace you, and tell you everything I know. You're my big brother now up there, and I hope you can guide me one day. I love you so much and will until the end of time my brother.
