We lived right next door to the Daley's way back in the 1960s. JoAnne and her family were great neighbors! My parents always kept in contact with them at Christmas and after my parents passed away, I carried on the tradition by sending a Christmas Card every year. JoAnne always sent a card too asking about our family and how we all were. JoAnne was a very caring person taking great care of her family. I was deeply saddened when I had my 2021 Christmas card returned to me this year, discovering her passing. I will miss her and her very thoughtful cards at Christmas. Sam Harrison, Former Neighbor

A very nice person and ALWAYS HAPPY to see family!!! Her home always had an open door, just like her mom, Aunt Helen. She will be missed. Bonnye and Jerry Klein

I remember JoAnne enjoyed writing letters and for several years we corresponded. Also, I remember driving with her just after she got her license. It was a hair raising, door handle grabbing experience. But most of all I remember her as a caring, friendly and wonderful person. Paul Klein (First Cousin)
