## **Vicki Dolinsky**

APR 15, 1954 - MAR 25, 2022

**V**icki Dolinsky, age 67, passed away on March 25, 2022. Vicki was happily married to her love, Ed Dolinsky, for nearly 41 years. She built a career as a loan officer and Manager at the Ohio Savings Bank, and retired early. She was a loving stepmother to Rebecca Graham (Erin Graham) and Jennifer Tress (David Tress) and devoted sister to Patricia Musser (Gary Musser), Debbie Rosenberger (the late Phil Rosenberger), Nancy Emerson, and the late Tim Emerson. Vicki loved her two nieces, Nicole Rosenberger and Kristine Flucker, and her granddaughter, Riley Graham. She had many beloved friends who were like family, and she was a natural, selfless caregiver who always thought of others.

Services will be held Tuesday at the Hillcrest Memorial Park Mausoleum at 26200 Aurora Road, Bedford Heights, Ohio. The cemetery kindly asks that you refrain from parking on the grass. Please park only in the parking lot and paved surfaces.

Visitation will be held from 12:00-2:00 p.m. A formal program will begin at 2:00, with a burial service immediately following.

Vicki was my partner in crime during our high school years. We met when working at Woolworths at Richmond Mall. Oh the fun we had. She had the best laugh. We connected just a few years ago when we saw that we had a mutual friend on FB. I was so sorry to read of her passing when I went to wish her a Happy Birthday today. I know she will be missed by many, she was such a sweet person.

We are heartbroken over the loss of Vicki. She will always be remembered for her kind & loving ways. I can see her smiling eyes, so willing to listen, share, & help in any way she could. I will always remember her generosity & willingness to put others before herself. She loved her family & adored her granddaughter, Riley. Our lives will forever be changed without Vicki in them, but the joy she spread will never be forgotten. Rest In Peace, dearest Vicki. Dave & Marilyn Graham

I always called her Miss Vickie. I met her over 40 years ago and the two things I remember the most is all the laughing we did over the years and her being there for me when I had cancer. It is impossible to describe the type of person she was because she was so many things. She always had a smile and something nice to say, always listened when you talked. Those huge brown eyes .....I will never forget her and I am blessed to have had her in my life.
