Dan Kelly shared a photo to the **Tribute Wall** album.

A planned visit from her grand daughters, Amber and Tara, with her great grand children: Aubrey Elizabeth Smith, Theodore "Teddy" George Smith, Jonas Alexander Domkowski and Torin Eliot Domkowski coincided with her passing. Yes, a sad thing, but happy memories as well. We all had not seen each other in several or many years, so it was good and helpful to be together for a few days, to see Robbie's living space and things, which gave an important picture of who she was and how much she cared for all of us (many pictures and art projects). It was difficult. It was good.
