Don't grieve for me I'm free, I'm following the path God laid for me I took his hand when I heard his call, I turned my back and left it all. I could not stay another day, To laugh, to love to work or play Tasks left undone must stay that way, I've found peace at the close of day. If parting has left a void, then fill it with remembered joy, a friendship shared a laugh, a kiss ah yes these things I will miss. Be not burdened with times of sorrow My life's been full, I savored much Good friends, good times a loved ones touch. Perhaps my time seemed all too brief Don't lengthen it now with undue grief Lift up your hearts and share with me God wanted me now, he has set me free. Blessing to Maple, John and family RIP my friend will never forget you She's our Guardian Angel now Jaz aka Miki ❤️😭

How Maple shines and brings light in this world and learning how close Jane and her daughter Maple were is a testament to Jane's life and legacy. I pray for Maple, her husband Peter, and the entire family through this newest and most challenging chapter. May Jane's legacy continue to cast an everlasting light of warmth, peace and healing to you all. Love you, Maple. — Olivia Obineme, friend and peer of Maple
